ELEVATE YOUR FINANCIAL GAME PLAN

WEALTH CREATIVE PROGRAM

WEALTH CREATIVE PROGRAM

1. What do you have?

Remember you cannot grow nothing (zero). Wealth requires that you recognize something is working for you.

a. What do you have working for you?

b. List as many as 20 ideas, products or opportunities people around you make money from

c. List All the ideas, products or opportunities peculiar to you from which you can make money from

d. What average income have you made from some of such ideas, products or opportunities?

e. Do you think you can earn more by doing things differently from now?

f. Can you improve on quality, delivery or sale, etc.?

g. Is it possible to add new income source?

h. What exactly/specifically do you think you can do differently to increase your income?

i. Make Affirmation and promises that you will do those things

2. Creative Wealth

a. Do you think you can earn more by thinking differently? Remember that foundation to wealth creation is based on how you think.

WALE ADEWUMI

- b. List all your avenue of possibly making money next year, then increase the value for next year by exceeding your worth this year. Example, add one or more zero behind it. For instance if you earn #100,000 from a source last year, add another zero or more e.g. your new goal will be #1,000,000 or #10,000,000. Doing this makes you feel good and limitless.

- c. Ponder on this new level of financial possibilities. Don't think of how it will be possible or not. At this realm be at peace with the possibility. If your heart do not accept the possibility, your mind cannot work it out
- d. Let your mind begin to think of the possibility – write out possible actions for realizing the possibility in item b. Ponder long enough until the possibility begin to settle on you.

3. Your Quarterly Plan

Without plans, there is nothing to target or achieve.

- a. What are the ways you can set the next 90 days to make it the beginning of greatness in your life?

b. List all that you intend achieving in terms of financial growth next 90 days. Without new actions, there cannot be growth.

4. Bringing quality and innovation

a. How do you think you can improve on what you do in order to have greater income?

b. What new innovation do you think you can bring in?

- c. What area of your personality can further help you sell idea, products or services? This will form the basis of your unique selling point (USP)

5. Self development program

- a. What kind of skill(s) do you think if you possess will further enhance your income?

- b. What is stopping you from getting such skills?

c. What can you do to get the skills?

Self development is vital key to greater income.

6. Modeling the Big Guys

a. Who are the big players in your market niche or career line?

b. What are the things they do differently that is helping them excel?

c. What are the new things you can learn or adapt from them?

The people you look up to and those people you walk with will determine how far you can go in life.

7. What do you readily give?

a. List the things you give easily and freely

b. Think on how you could make money from those things you have been giving out free over time.

Remember google.com remains a free search engine till today and facebook.com a free social media platform, yet they have a way of making money. You may not make direct charges, yet if what you give is valuable you stand the chance to make money from it.
